

ChronusQ::GMRES::alloc

```
graph LR; A[ChronusQ::GMRES::alloc] --> B[ChronusQ::IterLinearSolver::alloc];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'ChronusQ::GMRES::alloc'. A blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'ChronusQ::IterLinearSolver::alloc'.

ChronusQ::IterLinearSolver
::alloc
