

```
ChronusQ::ParticleParticle  
Propagator< SingleSlater  
< MatsT, IntsT > >::formLinearTrans_impl
```

A diagram showing a call to the `formLinearTrans_impl` function. A blue arrow points from the function call on the left to the function definition on the right. The function call is in a white box, and the function definition is in a grey box.

```
ChronusQ::ParticleParticle  
Propagator::formLinearTrans_incore
```
